Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A young professional applying for a credit card.	Get quick approval for a new card.	I have limited credit history.	I am early in my career with a steady income.	Anxious about being rejected.
PS-2	A self-employed applicant seeking a credit card.	Access credit for daily business expenses.	My income varies month to month.	I run a small business without a fixed salary.	Uncertain about my approval odds.
PS-3	A salaried employee with existing loans.	Get a card with a higher credit limit.	I already have multiple credit obligations.	I want to consolidate my monthly spending.	Hopeful but cautious.
