Empathy Map

An empathy map is a simple, easy-to-digest visual that captures knowledge about a user's behaviours and attitudes. It is a useful tool to help teams better understand their users. Creating an effective solution requires understanding the true problem and the person who is experiencing it.

SAYS • I want quick approval. • I have limited credit history. • Why do so many factors matter?	THINKS • Will my income be enough? • I hope I'm not rejected. • This process feels complex.
 Rahul Sharma <i>(First-time Card Applicant)</i>	
DOES • Fills the form carefully. • Checks eligibility first. • Compares card options online.	FEELS • Anxious about rejection. • Hopeful for approval. • Relieved once approved.
